Tata Consultancy Services

RE: Quality Analyst, [Ref#], [Date]

Dear [Ms. or Mr. Last Name],

Upon learning about the Quality Analyst posting with Tata Consultancy Services, I was eager to contact you with my interest. When reviewing the job description, I was excited to see how well my experience aligns with your company's needs and position requirements. From reading your company's website, I feel your core mission and culture suit what I offer as a professional.

As an adept Quality Analyst, I have a well-rounded skill set in technical writing and honed talents in **Functional and regression testing**, **UAT testing**, **Black box testing**, **White Box testing** of all user interface, CRM based Web application, Chrome extension, Mobile Applications.

Involved in creation of test scripts from scratch on **BDD** framework using **Selenium WebDriver** for **unit** and **Functional** Testing.

Experienced with **performance** testing using **Jmeter**, **API** Testing using **PostMan**, making me an ideal fit for the Quality Analyst position.

Involved in creation of **Test result**, **Test plan**, **Test Case**, **Test Scenario document**.

Working closely with developer and Product Management team to carry out testing of software product using **Agile** and waterfall method

Further, I am a recognized expert in interpersonal and a communicative collaborator.

My previous roles have strengthened my capabilities in teamwork and problem-solving, including a keen attention to detail and accuracy.

I am excited at the prospect of bringing my talents to Tata Consultancy Services.

I look forward to hearing from you, at your earliest convenience, to discuss how my experience and qualifications will prove valuable in the Quality Analyst role.

Thank you for your time and consideration.

Sincerely,  
Chandrima Chatterjee
